

Subscription Conditions for TORBA Retail Pro

By subscribing to TORBA Retail Pro, you agree to the following terms and conditions regarding your subscription, billing, and access:

1. Subscription Benefits

TORBA Retail Pro unlocks advanced features designed to enhance your retail workflow, including flexible pricing tools, order automation, full customer history, unlimited photo uploads, and more. Learn more about the Pro features in the app.

2. Free Trial

Each subscription plan (monthly or yearly) includes a 1-month free trial available only to first-time subscribers who have never previously activated TORBA Retail Pro. You can cancel at any time during the trial period. No charges will be applied if cancellation occurs at least 24 hours before the trial ends.

3. Payment and Billing

Payment will be charged to your Google Play account upon confirmation of purchase. Your subscription automatically renews unless you cancel it at least 24 hours before the end of the current period. The renewal cost will be charged within 24 hours prior to the end of your current subscription cycle. You can manage your subscription and disable auto-renewal at any time via your Google Play Account Settings.

4. Grace Period and Account Blocking

If renewal payment fails, you retain access to Pro features during a grace period: 7 days for the monthly plan, 14 days for the annual plan. After the grace period, a temporary account suspension will be applied if the payment is still not completed. Suspension starts after the grace period and lasts for 30 days. Access to Pro features is restricted during this period. Access is restored upon successful re-subscription within this time.

5. Plan Changes

If you change your subscription plan or promotional offer, any remaining paid days will be deducted from your next billing date. This ensures continuity of service without refund or extension.

6. Re-subscribing

Users who cancel or do not renew their subscription before its expiration can re-subscribe at any time via Google Play. Previous usage history and data will be retained.

7. Privacy & Terms
